

SOUTH PLAINFIELD HIGH SCHOOL HALL OF FAME

A “Hall of Fame” has been established at South Plainfield High School to recognize outstanding graduates. Honoring these successful graduates as leaders in their fields will provide our current high school students with positive role models who have graduated from South Plainfield High School or a designated high school for South Plainfield students prior to 1957.

The selection criteria are as follows:

- a. Candidates nominated must have graduated from SPHS or the designated school at **least 15 years prior to nomination**.
- b. Candidates must have achieved a prominent position with significant contribution in the listed criteria of academia, business, community participation, service to humanity, and unique accomplishments.

The selection committee will be composed of one Board of Education member, two High School administrators, one High School faculty member, one PTA member, and four community members.

The candidates selected will have their photographs and biographies displayed on the “Hall of Fame” at the High School. These honored candidates will be inducted at the High School Academic Recognition Program held in June of each year.
